

April 20, 2020

Dear Horizon Families,

As many of you may have heard, our Governor has announced that we will continue distance learning for the remainder of the 2019-2020 school year. This means we are continuing to utilize our distance learning plan that is already put in place. All of our assignments are to be completed online via IXL and ConceptSIS/Google Classroom as mentioned in the letter sent home with grades. Remember these assignments can be completed on ANY electronic device with access to the internet (phones, tablets, Playstations, etc.). This distance learning plan will remain in effect until the last day of school May 29th, 2020.

Final Grades/Promotion

Students' final grades and promotion status will be based on all work completed throughout the year. Fourth quarter grades are still being taken based on the work your student is completing online. Fourth quarter grades WILL NOT hurt or prevent a student from being promoted to their next grade. The third grade Reading Guarantee has been waived by our Governor so students will not be held back based on that test as they were unable to take it a second time. At this time, students should continue to complete any work that they can through distance learning to submit for a grade.

Re-Enrollment

If you are planning on returning to Horizon next school year, please go to log into your parent database and click re-enroll to secure your space for next year.

You can access your account two different ways.

1. Download the app to any phone or tablet by visiting your App Store on Apple products or Google Play for Android products. Once there, search Concept Schools. You will see an App that says ConceptSIS Student & Parent Portal.
2. Go to www.grades.es.horizondayton.org and log into your account.

Once you are logged in, there is an icon at the top of the page that says Re-Enroll. Verify the information and then click Re-Enroll.

Enrolling New Students

If you have a student that you are wanting to enroll that is currently not enrolled at Horizon, you can enroll them for next school year by visiting our website at www.es.horizondayton.org. Click enroll and then apply online.

We at Horizon are still here for you and wish your family the best during this time. Should you need anything at all, continue to reach out to your teachers during their office hours or administration.

Thank you,

HSADE
